In January 2017 Moon Active announced that they had signed an agreement with Netflix to develop a free to play mobile version of Coin Master for Android and iOS devices. The game was later released in beta form as of February 2018. It is titled "Coin Master: Poke Map" and is similar to other games developed by Moon Active such as Poke Monsters World Tour. This version of the game allows players to view the world around them (using real location coordinates) and find loot based on their current location within the game. Collectible items such as equipment, potions and rare drops can also be found.",

The fourth group of "card packs" was released on November 4, 2016. The card packs are no longer available for purchase and will become exclusive to players who have paid for a premium pack, however the new cards will be shared between both versions of "Coins & Curses".",
