ROBLOX's Terms of Service has many loopholes which allows users to get away with nearly anything, such as selling products that have been stolen from other users or using bots for their own gain. The system is also very inconsistent in how it deals with complaints and bans. One of the more infamous examples is user "Sephiroth", who had been banned for attempting to distribute his game, "TitanMC". The ban was eventually lifted, and the account became widely regarded as a joke.[11]

Some users have noticed that the Roblox logo is a direct parody of Microsoft's logo. The two logos are nearly identical in shape and color scheme. The only difference between the two logos is that Roblox's logo contains a "R" whereas Microsoft's does not. Another parody was made by RulaGames in 2015 called "Robux". This was a parody to show that everything on Roblox cost money.

There are many other sites out there that also allow you get free robux and tix in your account. These sites will definitely change from time to time, but they all share a few things in common. They all give you promo codes for different games and features which have already been unlocked by their accounts. They will just give these codes out to other players who want them through the mail or via email.

They're clearly taking steps in this direction by creating special perks, abilities, etcetera for those who have purchased robux from them. They're also creating clothing items which are being sold for outrageous prices with the sole purpose of being able to differentiate those who pay from those who don't in their game. This is wrong. It's unethical and it should not be tolerated.

On December 5, 2018, ROBLOX released their first Steam game "ROBLOX On Ice", developed by user SamoDaCar. In early 2017, ROBLOX released a YouTube channel. The channel features animated shorts of the game "Abobo's Big Adventure", a reboot of the popular war series "Abobo's Big Adventure". In July 2017, ROBLOX released its second YouTube channel called Roblox Top Model. It came with a new show and it was announced that they were coming out with more shows in the future. This channel features many shows, including Talent Time, Celebrity Catwalk, Dancing With The Star, The Edge Of Glory and more.
