On February 2nd, 2019, an announcement was made by ROBLOX as they were planning on allowing users to purchase 'Clips' which are in-game blocks and scenarios that can be used in their games.[108] These Clips would later become part of their new launch system that will be called Studio and released at a later date.

The American Federation of Television and Radio Artists (AFTRA) has demanded that Roblox includes their members. The union stated that they also want their actors to get compensation for their work. The union has also said that they have been talking with Roblox for more than a year before singling out the company for bad housekeeping by refusing to pay royalties and residuals while claiming to "be building careers".

In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

If you are trying to get free robux on roblox without having to pay money, then there is no better way than this hack tool. This will give you an advantage over other players, and it is a lot easier for you to use it with your friends.

ROBLOX's official blog (started on November 19th, 2011) and LiveJournal were used to communicate with the community prior to the creation of the forums. The blog is still active but has been replaced by a Forum that is more conversational tone. The LiveJournal was shut down in October 2016, making ROBLOX one of few third-party sites without one.[12] In January 2017, ROBLOX launched their YouTube channel. The channel currently has about 1 minute and 38 seconds of uploads.
