On May 29, 2015, ROBLOX decided to stop giving out high-quality builder's cards to anyone who has one of these cards, making it no longer possible for them to build long games on ROBLOX. This was the first time that high quality builders clubs were ever taken away from people who had them. On July 15, 2016, ROBLOX re-enabled the old low-quality builder's club and added another high quality builders card which can be used by anyone without making their game longer than 30 days. This update helped in the new Club Builder's Club Builder's Club Update which gave people who had builder's cards prior the ability to make their ROBLOX games longer.
