Free games are not limited to offering premium features; however, most free games which offer their own XP system for player progression don't offer it via premium features. Therefore, non-Premium free games will usually include the default XP system as an option instead of offering another one.

8. When people post videos on YT that are inappropriate, the video should be removed along with their account because it should not be encouraged. 9. Due to the fact that developers have to make games in order to get revenue from Roblox, they should not be limited in game size and filesize. 10. There needs to be a way for Robloxian's to give feedback regarding improvements as well as updates and bugs that they find within the game.

Because the codes were removed, many players are currently trying to figure out how to get free robux without getting scammed. Players who are too young to have an account and/or don't have a credit card can still get free robux by following these steps:

Her parents did not approve of this decision and they started a petition on Change.org to get their daughter unbanned back on Roblox. They stated that her ban would be a violation of their privacy rights as well as an infringement upon her civil rights, as a minor. The family requested that Roblox reverse its ban of Arielle and instead give her a warning to stop future harassment, which she committed while playing "Minecraft". The petition received more than 50,000 signatures in less than 12 hours. However, it was then reported by users that the petition had been removed from the website soon after it began. As soon as the petition was received by Roblox, it was announced that her account would be reviewed and further action would be taken in response to how she had "been conducting herself online".

If that never happens then the servers are going to crash and the game will die. If you take a look at the way ROBLOX's developers are trying to make even more money, you will see that they do not want to add any real value to their games. They want people to spend real money for fake money (robux) so they're going to make it so that it's impossible for someone who doesn't pay for robux to exist within their virtual world.
