If you want free robux, then there are several ways of getting them on roblox without having to spend money. If you spend a lot of money on the game then it is something that you are bound to get banned for, so do not worry about this. The best thing about this method is that you don't have to spend any money on the game at all.

Roblox uses multiple methods of advertising. They first started advertising on websites like Nickelodeon, but they have moved to focusing on social media sites like Facebook and Twitter.[66] Roblox also primarily advertises at gaming conventions such as E3 and Minecon. Roblox has an official YouTube channel on which they occasionally stream live events called "Developer Live", where Roblox employees give sneak peeks of upcoming features.[67] They have also recently released a list of YouTubers that are apart of their Developer Program called the "Roblox Ambassador Program". These YouTubers are able to test new features in Roblox before anyone else with the exception of Google employees.

On December 14, 2017, ROBLOX announced that it had partnered with Warner Bros. to produce a game based on the upcoming film "Justice League" (which is scheduled for a 2018 release). The game will be based on Batman's sidekick Robin, and will come in two forms: one which is story-based and one which is puzzle-based. The game was released in Europe on November 28, 2018 and in North America on November 30, 2018.
