On January 10, 2018 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2018 and is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". An article on the website says that the game was created to satisfy the desire of players for a Pokemon Go style experience with "Coin Master: Dig Deep".

On July 30th, 2017 version 1.0.29 was released for iOS and Android devices including gameplay updates and bug fixes. The game has been featured in multiple media publications, including: A number of real-world cards are used as the game's currency. Those cards include: In addition to the above, Mike Miller has also mentioned that there may be a coin card due to popular demand. The developers have stated that they would be open to "extend the universe" of "Coin Master" with another game in the future if interest and support were shown from fans of the original.

On July 5, 2018, Moon Active released Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" for iOS as a free app (it is not available on Android). This "Coin Master" title features an updated version of the popular video game "Puss in Boots". The game was released in Japan initially as part of Moon Active's "Coin Masters" series. However, this version of the game was never released outside Japan. This version contains microtransactions which can be removed by paying \$4.99 for an ad-free version. The user review for Coin Master: Puss in Boots is composed of 3.0 out of 5 stars (out of 1 vote) from 1 user, with a user rating of 4.0 out of 5 stars (out of 1 vote).

The table was released for PC and iOS on December 18th, 2016. The full version available for purchase is the enhanced mode featuring 20 additional levels as well as the arcade mode which contains 60 additional levels. The Android version is planned to be released in January 2018.

In June 2018 Moon Active announced that they had signed an agreement with Warner Bros Entertainment to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 4: DC's Justice League".
