The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be. Although there are ROBLOX moderators, there should be more since some of them don't join Roblox or just don't care about some of the problems that some people have on Roblox.

The concept of having the free robux script is based on saving time that one would take to carry out the routine tasks. For example, if you wish to comment and share a news article, then you would have to go through several procedures and this will make it difficult for one to stick with it. That is where the free robux script intervenes by automating these procedures so as to make your daily routine easier and time saving.

A user named "Dragongirl" did a Twitter poll in June 2017 asking users their thoughts on the matter. Of her followers, 46% responded that they think that there are not enough female employees at Roblox and 64% responded that they think Roblox should have less white males working for them.

Rated 4 out of 5 by Anonymous from It's really great and I love playing online with my friends. Its a really great game and helps me with my learning skills. I have lots of friends and we sometimes all play online together. It's like virtual reality but not really but still fun to play :)

Roblox provides wireless headsets in the form of headphones and microphones. This enables players to communicate through the game, chat with other Roblox users, and play games with other players. In some online games, players are able to play "mini-games" such as "Horseball" that involve shooting a ball across the screen to attack another player. However, in Roblox, mini-games give physical feedback from hitting objects in the game world; for example, when they jump off a ledge in an abandoned mine shaft.
