5. Roblox should have a choice where we can only friend other users based on gender and age. 6. There are too many DLC's that do not allow you to play the game fully without buying them. 7. There needs to be an authority on the game just like there is one for Steam that will give out reports about inappropriate content as well as any other updates and problems that happen within the game such as glitches and server problems.

Also, our operators are very pleasant. You may have to wait a little bit, but don't worry – it is definitely worth it.

Here is where things get a little confusing but stick with me for a second and I'll link things together for you. When you get Robux gems and tokens from winning games, there is no value in the items you receive. There is no way to spend those items on anything in this game because they don't have any value. You can't sell them, you can't trade them for anything, they don't have in game money attached to them, etcetera.

Do you use the 100Robux app? Have you found it to be a useful tool for earning free robux? Have you used other programs or apps that can get you free robux? If so, I would love to hear about them in the comments section.
