On December 14, 2017, ROBLOX announced that it had partnered with Warner Bros. to produce a game based on the upcoming film "Justice League" (which is scheduled for a 2018 release). The game will be based on Batman's sidekick Robin, and will come in two forms: one which is story-based and one which is puzzle-based. The game was released in Europe on November 28, 2018 and in North America on November 30, 2018.

On February 23, 2012, ROBLOX revealed that they had hired 241 developers to work for the company. On March 28, 2013, ROBLOX revealed that they had hired an additional 130 developers to work for the company. On September 3, 2014, ROBLOX announced that they had hired over 800 employees in total. ROBLOX held a previously-unannounced hiring day on June 23, 2012 where they hired over 50 employees. At the end of 2012, ROBLOX announced that the company was "growing faster than ever". In November 2011, the website oDesk.com had more than 100 "top experts" from ROBLOX who were ready to provide assistance and tips to anyone who needed them. The site has since been shut down due to their repetitive scamming of people on oDesk.com using ROBLOX as a platform for money making. On March 28, 2013, ROBLOX announced that they had created a new partnership with GameSys on top of their cooperation with Hintons Online Group Inc.

The community is toxic in many ways, Robloxian's have made characters with inappropriate content such as swearing in their usernames or wearing inappropriate clothing that make it look like they are roleplaying as an adult even though they shouldn't be. Although there are ROBLOX moderators, there should be more since some of them don't join Roblox or just don't care about some of the problems that some people have on Roblox.

ROBLOX logo before 2009. The background was green instead of red and white stripes were in the middle instead of the top or bottom. The logo used from 2009 to 2012 as a banner (not yet released). Using it as a banner, it was at the top when it was released to users, becoming more popular than the original image upon release (which it shared with Minecraft). Logo before 2012.
