Roblox has been criticized for the release of their "2018 Summer Update" which featured new clothing items and accessories. The update was released on August 28, 2018, and it caused some of these items to be very hard to find. This resulted in many of Roblox's users spending a lot of money on the platform in order to obtain these new items.

The product was heavily criticized by users who claimed it was just a copy of YouTube.[87] On September 24th, 2018 ROBLOX announced that they would no longer make updates or interact with people's comments.[88] It is unknown if they will continue making content for the channel. However, ROBLOX did announce that they are continuing to work on improving their products.

In 2012 the company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (The Water Project). This was called Roblox Builders Club: Hero of the Day which raised over \$1,000 for charity water.

ROBLOX released a new website design on August 1, 2017 (10:00 AM). This redesign changes many things for user convenience, also the entire site was re-coded from scratch to be more efficient. The creators of ROBLOX have a goal for ROBLOX to be widely used in all aspects of life and they wanted people around the world to have access to ROBLOX. To achieve that, this redesign is part of their overall plan which includes global expansions.
