Rated 4 out of 5 by Anonymous from Very enjoyable I love this game very much. Whenever I play it, it makes me feel like I'm in a fantasy land. It has a lot of fun games to play like the space adventures, castle defense and many others. I would say that recommended this game to anyone who likes to play on the computer or laptop or anything else with computers. Overall it's pretty good.

There are lots of bugs in this game and we need a way to report them so they can be fixed or can be added into a sticky post. There is not enough room to write here, too much! So what I am going to do is go over the bugs and glitches that are in roblox, then I will tell you how we can get them fixed or changed.

To make money on Roblox is really hard for most gamers, because they need an account in order to sign up for an offer or do a daily ad. Also most offers only require 10 robux, which does not look like that much at all. The 100Robux app has made it easier to make money on Roblox. They may not give you 100 robux at once, but when you have 500 robux in game, another user may ask for 120 robux for an account or a shirt. That would be 60 robux profit. This lets me and other players make money off their skills, and in return they earn virtual currency which they can use to buy premium features or clothing for their character in the game that they are playing.
