The product was heavily criticized by users who claimed it was just a copy of YouTube.[87] On September 24th, 2018 ROBLOX announced that they would no longer make updates or interact with people's comments.[88] It is unknown if they will continue making content for the channel. However, ROBLOX did announce that they are continuing to work on improving their products.

It has over 144 million monthly unique visitors (MAU), making it number 1 in total and within North America, Australia and New Zealand. The games on ROBLOX are free to play, while microtransactions can be purchased using Robux, which are acquired by playing the games or through a transaction system called "Builders Club".
