There have been a lot of instances of Roblox users exploiting flaws in the game in order to introduce their own hacks, like a highly publicized and, quite frankly, terrifyingly disgusting story of someone who was able to exploit the game's code in order to introduce custom animations. This person decided to animate graphic character movements that mimicked rape, and proceeded to virtually sexually assault a 7-year-old player's avatar.

A hacker allegedly bribed an employee at the popular online video game 'Roblox' to gain access to the back-end customer support panel with personal information on over 100 million active monthly users. The hacker was able to access to see other users' email addresses, change their passwords, remove two-factor authentication from their accounts, ban users and more, reports the Vice.
