Minecraft Creative has a variety of different options and settings for your game that will give you complete control over it. You can change almost everything about the world from the seed number to what biomes appear on your server. You can also choose weather, day length, time of day or create custom rules that will automatically apply certain environment settings and visual effects. The possibilities are endless but if you want to start playing with these options, you must have Forge installed.",

This is another one of the most popular mods that you can download into your Minecraft experience. The console that it allows for in your game allows for a lot of different commands to be given to the game with simple redstone tools. This will make it so that you can type in code that will just fix certain features of the game for you. The mods that you can download are very popular among the community and are very easy to use.
