Another really popular mod has to be Minecraft SMP4 Mod which makes all mobs more dangerous than they were before. This makes the game more challenging and a lot more fun as well as a way to add some different life to the game. The mobs will have more health, attack, damage, and range so that it is actually possible for them to take you down. This mod is great if you want an even harder experience than when you are playing by yourself. More Info Download: [Minecraft SMP4 Mod OpenBlocks Intelligent In-Game Console](#)",

How about getting infinite diamonds? That would be a great start in Minecraft if you ask us. As you can see in the screenshot above, this cheat tool is free and easy to use. With a standalone server, you have the option to install plugins and host your own game according to specific rules. If you are a newbie when it comes to creating a Minecraft Server, we have an excellent article on how to create your own minecraft server here.",

The game features a dedicated server browser interface on the official website which allows players to choose from a selection of servers to play on, although these are not all guaranteed to be free from hackers and cheaters. Note that some servers may be permanently locked by hackers as a form of revenge. To gain access to such rarer servers players are usually required to send an email request.",

This kind of mod changes the user interface to make it easier to use. They will change the way you move, build, and craft items. This is a very user-interactive kind of mod and can be used for a variety of different things. Merger Mods: These kinds of mods will take two or more mods and integrate them into one so that you do not have to install all of them yourself. This is a great way to add new features into your Minecraft without having to do it all yourself",
