In order to play on a Minecraft Server you must first purchase a game copy of Minecraft and then download the server files onto your computer using one of the methods above. You can also try out firsthand what a Minecraft Server is before subscribing to one through the Minecraft Marketplace.",

Minecraft is one of the most popular games on the planet, but it also has a very active community that creates many different things for you to use in your game or play with on servers. There are so many mods available for the game, it can be hard to know what to choose and you may even have trouble installing them correctly. There are many tutorials and forums online where people can help out with this process though, so look to them if you need any assistance when creating your modpack or installing mods.",

Players build a random world in which you aren't guaranteed the same biome behind every block. All the biomes can be accessed by "spawning" into them in survival mode through an anomaly. Survival Games Servers: Players complete a challenge and win prizes such as weapons, armor, unique items, etc - These servers are focused on playing mini games in order to win rewards.",

All of these cool things in Minecraft could not be possible without mods. Mods have changed the way in which people play Minecraft and they have helped this game become better than ever!",
