The great thing about Minecraft is that it gives you unlimited freedom to do whatever you want. Sometimes the game can be a bit boring or repetitive, so there are a lot of people who choose to download mods in order to change how the game plays. There are thousands of mods available online, and you will find that they span across a wide-range of different topics. More Info Download: MINECRAFT MODS",

Some features that are currently not included in the game but are planned for future iterations include a fully dynamic weather system as well as the ability for players to tame animals and ride them",

Cheating to get advantages such as destroying protected blocks and the such, as well as to not being held accountable for destruction of players property. Hacking into other people's accounts (or even Mojang servers) in order to gain an advantage.",

Players have to survive on floating islands - These servers are focused on playing mini games in order to win rewards. Creative Games Servers: Players can build anything they want with real-world objects inside the game.",

Combat is designed to be straightforward, with players able to only carry one item (of any weight) at a time. Weapons can be crafted with either wood or stone and basic combat techniques involve aiming at the head to inflict maximum damage, taking use of terrain and the ability of having a ranged weapon for players comfortable with using more than one weapon.",
