Another really popular mod has to be Minecraft SMP4 Mod which makes all mobs more dangerous than they were before. This makes the game more challenging and a lot more fun as well as a way to add some different life to the game. The mobs will have more health, attack, damage, and range so that it is actually possible for them to take you down. This mod is great if you want an even harder experience than when you are playing by yourself. More Info Download: Minecraft SMP4 Mod OpenBlocks Intelligent In-Game Console",

With all of these cool mods that you can download, you will be able to add a lot more characters, colors, textures, and other features to the game. You can make the experience so much better by just making some simple changes about your game. Mod Packs: You should also look for mods that are part of a pack to save you time. These kinds of mods are great if you want to make a lot of changes to your game without having to do all of the work yourself. The creator will take care of all the work so that you don't have to do it all yourself.",
