On September 13, 2016, ROBLOX launched its tenth birthday party along with an event called BLOXtober. The purpose of this annual event is to celebrate ROBLOX's birthday and give players badges for completing The Admin's tasks every day until October 15th. The badge is called BLOXtagger and can be worn on your profile for the year. The tasks were also modified to let you earn the badges by simply logging in every day.

If you do not already have a badge, then you will gain one once you have logged in every day for two days consecutively. At the end of BLOXtober, ROBLOX held a contest called RobIXtheRave, where people were given a chance to win a large sum of money in cash by answering trivia questions that were asked throughout October 11th-13th.

Rated 4 out of 5 by Anonymous from It's really great and I love playing online with my friends. Its a really great game and helps me with my learning skills. I have lots of friends and we sometimes all play online together. It's like virtual reality but not really but still fun to play :)

Safe for kids. The roblox website has a large system dedicated to ensuring that all content is safe - filled with age requirements and parental controls to provide protection from inappropriate content being found and viewed by children playing the game online. This is a great safety feature that provides peace of mind for parents looking to let their children play on it. Requires an internet connection to play. This is a small downside and something that can be fixed by using a Wi-Fi connection.
