The Roblox website has undergone several changes in terms of design. All the current releases before October 10, 2010 had a different logo from the one that is currently used. The beta site is also a different color than the current homepage design. If you visit the old Roblox website [1] it will redirect you to the new Roblox website, although on rare occasions it will instead take you to an error page.

Rated 4 out of 5 by Anonymous from Pretty good game I think this game is pretty cool and it has really good graphics and it can actually teach you various things such as math and reading. I think it is a good app for anyone who loves online games.

Lately, many of the people I know have been playing roblox games. There are a few different types of games you can play on roblox; however, the most popular type of game is called Robloxian Life (RL). In RL, you can create your own avatar with different types of clothing and hair to customize it. You then pick a place for your person to live and earn money to buy more food and other items.

On October 10, 2018, Roblox announced that they will be selling 49% of their ownership stake to Tencent Holdings for \$100 million. The transaction is subject to approval by the Roblox board of directors and Tencent before it goes into effect. The acquisition is part of a strategy by RoLabX to become a global gaming powerhouse with operations in China. The deal also confirmed that Tencent will continue to operate as the chief customer and user experience partner for ROBLOX.
