This is one of the most reliable ways for anyone to use in order to get free robux on roblox without having to spend any money. This should be more than enough for anyone out there to use if they need some methods for getting free robux on roblox right away.

On September 8, 2018, ROBLOX released an update that added a "New Games" section to its website. This section is separated into sub-categories for ease-of-navigation and new content coming soon. This section also functions as a "curated library" with all games listed in a searchable manner (e.g., "roblox" will bring up any game about ROBLOX, but "roblox experiment" won't).

A user named "Dragongirl" did a Twitter poll in June 2017 asking users their thoughts on the matter. Of her followers, 46% responded that they think that there are not enough female employees at Roblox and 64% responded that they think Roblox should have less white males working for them.

On December 10, 2018, the "Free robux" cards system was removed by ROBLOX. Many players believe that this was done due to scamming of codes and due to players complaining about receiving cards they didn't want.

In January 2013, the Chinese government started an investigation into various MMORPGs to determine whether the genre was suitable for children.[58] The same year, Sigaty discussed the possibility of a Battle.net-like service for World of Warcraft.[59]
