Roblox Forums on ImageLoupe - These forums are great for finding technical help on a wide range of topics such as how to get better at building or getting cheap tix with cheats or exploits. Roblox Wiki - This wiki is the main Roblox official documentation for the game. It's a great place to start to learn the basics of Roblox.

Roblox is a platform for developers to build and create their own games around. Unlike games made in other gaming platforms, Roblox has an online social element that allows users to play together, to communicate with their friends and build communities.

In July 2018, Roblox had allegedly banned several high-profile creators due to the fact they made violent games. Although Roblox claims users were banned "due to improper behaviour" nothing has been proven yet. The situation is occurring in many forums and websites. In July 2018, ROBLOX put out a statement saying that they did not ban any creators, but instead were involved in a legal dispute with the people who claimed to have been banned.[82] They later said that anyone who was banned for making offensive content was "part of an organized effort by bad actors to scam our users. We have no tolerance for this behavior and we're doing everything we can to protect our community." [83]

Several Roblox songs have been made over the years. The most popular song is "Everyday ROBLOX", which has over 2.5 million views. The song is about every day life on ROBLOX and is very catchy.
