ROBLOX has an official YouTube channel. The channel shows animated shorts for the popular game "Abobo's Big Adventure". The videos are created by the user SamoDaCar as part of a deal with ROBLOX.[44] The videos are often posted by other YouTube channels that show other parts of ROBLOX games, such as "Meet Youtuber" and "ROBLOX Adventures", where SamoDaCar comments on his channel. There's also a show called "ROBLOX Top Model", which is a spin-off about girls who compete to be the next top model. The show is hosted by user and famous ROBLOX player Xmithie. There are 6 seasons in all, with a total of 35 episodes.[45]

The more popular games have prices ranging from \$10-\$25 and some people think that it is way too expensive to pay for a game, especially if it doesn't require any physical hardware or extra equipment. Some also specify that when they see a custom hat being sold for \$25 and think it's ridiculous because hats aren't even digital assets and are an accessory.

Rated 4 out of 5 by Anonymous from Great Game, but Expensive ROBLOX is one of the best games I've played on my computer, but it is very expensive. It's not only expensive, but it's time consuming to get points for what you want in the game. Overall, I would recommend this game to people who like games that involve creativity and imagination in a game. Rated 5 out of 5 by Anonymous from Best Game Ever ROBLOX is one of the best games ever. I think that everyone should play it, it's great for all ages!
