On March 22nd 2018 a father claimed that his young son was being harassed by online predators on Roblox. His son was given what he believed to be an authentic phone number for support from Roblox but it was actually a phone number for an adult service in California called "Spunky".

When you wish to get free Robux on Roblox, then I am sure you have tried quite a few different methods. There are some tools that are really good, but most of them are downside when it comes to how fast they can get you Robux. This tool is one of the top ones as it can get you free Robux on Roblox very quickly without even having to spend a single penny!

Roblox has been criticized for the release of their "2018 Summer Update" which featured new clothing items and accessories. The update was released on August 28, 2018, and it caused some of these items to be very hard to find. This resulted in many of Roblox's users spending a lot of money on the platform in order to obtain these new items.

14. The only way to get a game on Roblox or get updates onto a game is through requesting it by going to the developers profile on Roblox and requesting the game, as well as getting the updates, and other stuff that goes on within the platform. 15. When people talk about games that do not function properly or have glitches within them, they should not be punished or reported because it's not their fault that there are glitches within the game. 16. Instead of banning them, developers should be able to fix these glitches without getting banned. 17. People always say that Roblox is not a safe place for kids to go on but it's a safe place for kids to play and enjoy free games because all the games are fun and most of them don't have any inappropriate content. 18. I love Roblox so much! I will never ever stop using it...

Although the app is designed for ROBLOX users to chat and connect further outside of the website, it also has additional features similar to those available on ROBLOX: users can play games together through group chat, use images and video to communicate with their friends, and create customized avatars for themselves.
