Builders Club Premium is available to all Builders Club members. For the purposes of the ROBLOX Terms of Use (from which these terms are derived), premium features and paid-for items are considered one and the same. In order for a game developer to provide Builders Club Premium, an agreement with ROBLOX must be obtained from ROBLOX.

ROBLOX has a number of international offices. They have offices in Canada, Russia, South Korea and Mexico. ROBLOX also has a representative office in Brazil and one in Japan. ROBLOX was sued by a user named Jacob Jones, who created an account on ROBLOX in 2008. Jacob created a game called "Cops and Robbers" with property he created outside of ROBLOX. He also released his own app, which would allow him to earn money from advertising; his app used "Cops and Robbers" as its icon. However, ROBLOX did not want other programs to use the ROBLOX logo without their permission, so they filed a lawsuit against Jacob Jones. This case is still ongoing.[7] In September 2015, the court ruled that Jacob Jones had violated the Terms of Service by using ROBLOX's logo in his app. However, the court ruled that ROBLOX did not hold the copyright for "Cops and Robber's", and Jacob Jones was able to continue using it.[8]

Reddit - There are quite a few forums and subreddits for Roblox, but the one I personally recommend is /r/roblox. It got started years ago and continues to be one of the best places to go on Reddit when it comes to Roblox information. They have a subreddit attached to each game, so you can always find information right where you want it.

ROBLOX has also come under criticism for not having any sort of Quality Assurance, meaning that there is a high chance that the art in users' games will have issues, such as visual glitches, poor texture quality, and various other issues with the art itself.

Rated 5 out of 5 by Anonymous from Best thing to do with friends Who doesn't like playing video games with friends or family? I think everybody would love it because they are free, fun and interactive with each other. It really is something you can try with all your friends right on your computer! :D My brother used to hate me playing Roblox but he eventually got used to it. I really recommend it! ^-^ It's really funny! Rated 5 out of 5 by Anonymous from Best game ever I think it is the best game because you can do whatever you want on here and have lots of friends.
