A user named "Dragongirl" did a Twitter poll in June 2017 asking users their thoughts on the matter. Of her followers, 46% responded that they think that there are not enough female employees at Roblox and 64% responded that they think Roblox should have less white males working for them.

On May 26, 2018, a group of former Roblox moderators started a petition on change.org asking for Roblox to re-hire them after they were fired. The petition currently has over 8000 signatures and the former moderators were promised that they would be getting jobs back at Roblox if their petition reached 10,000 signatures.

ROBLOX released its first Android app on October 13, 2013. The app is currently available in English and has over 2 million downloads on Google Play. It was launched for iOS on December 17, 2014. The application allows players to create games and play previously published ones, but does not allow for publishing of user made items or models. On May 30, 2017 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.

The main reason why this kind of methods work is because of how long they have been active. This hack helps hundreds of players and they can now play for free by using the Robux generator tool. If you want to know how it works and how to use it then join our facebook group to get the information on how great they are and how you can make some extra bucks selling items for other users.

Rated 4 out of 5 by Anonymous from Great Game, but Expensive ROBLOX is one of the best games I've played on my computer, but it is very expensive. It's not only expensive, but it's time consuming to get points for what you want in the game. Overall, I would recommend this game to people who like games that involve creativity and imagination in a game. Rated 5 out of 5 by Anonymous from Best Game Ever ROBLOX is one of the best games ever. I think that everyone should play it, it's great for all ages!
