If you want free robux fast, then you may just have to spend real money. This is obviously a very risky method that could get you banned from twoplustwo, but it can also work very well if done correctly and with attention to detail. I currently have a spreadsheet that has various amounts listed for different offers and payment methods. I am currently using Paypal as my main source of income, but I am considering switching to a more reliable service like Bitcoin or Amazon gift cards. Make sure that you always use a different email address for each of the sites you are selling your items on so that they do not go straight into your inbox or spam folder. I don't want people knowing that I am using this method as these will probably give me a bad reputation.
