Rated 3 out of 5 by Anonymous from Neat Interesting game where you can build your own games. Not really too into it though to be honest. I'd suggest if you want something like this get Minecraft. Rated 5 out of 5 by Anonymous from I love roblox! Roblox is the best game ever! It has a lot of stuff to do, and there is always someone to play with.

Some of the most popular games on Roblox are roleplaying games, which allow players to create their own character and explore a world with other characters created by other players. These games are incredibly fun and addicting, especially if you want an alternate form of social media that is not just photo posting based.

ROBLOX announced the launch of an app called ROBLOX Studio in July 2009, which allows players to make 3D videogames using ROBLOX Soft, or Lua scripting. These games can be shared on the website and with friends via social networking and email, making the virtual world even more alive than ever before. The app is free, but users must pay for revenue sharing of their games. On January 30, 2014 ROBLOX released its first app exclusively for iOS devices called "ROBLOX Studio" which puts a lot of its features into a more user-friendly format that previously had to be accessed through two separate products.

ROBLOX has a number of international offices. They have offices in Canada, Russia, South Korea and Mexico. ROBLOX also has a representative office in Brazil and one in Japan. ROBLOX was sued by a user named Jacob Jones, who created an account on ROBLOX in 2008. Jacob created a game called "Cops and Robbers" with property he created outside of ROBLOX. He also released his own app, which would allow him to earn money from advertising; his app used "Cops and Robbers" as its icon. However, ROBLOX did not want other programs to use the ROBLOX logo without their permission, so they filed a lawsuit against Jacob Jones. This case is still ongoing.[7] In September 2015, the court ruled that Jacob Jones had violated the Terms of Service by using ROBLOX's logo in his app. However, the court ruled that ROBLOX did not hold the copyright for "Cops and Robber's", and Jacob Jones was able to continue using it.[8]

On May 23, 2013, ROBLOX launched an in-game currency known as "TIX" (short for Tickets). It was worth one cent each since its release up until March 2014 when it became worth ten cents. They were planned to be used to buy virtual items for the game "Dance Off", but this never happened. In 2016, ROBLOX announced that TIX would no longer be used in the near future and that other ways of earning and spending money would be found. The currency was officially retired on October 14, 2016; while any TIX that was previously owned by players became converted into an equal amount of Tickets. ROBLOX launched an option to buy TIX with real money on January 13, 2017.
