Roblox is a game where you can play games with friends that other players have created. Overall, I think Roblox is a great game, but like every other game, it probably would need some changes or parts that should be looked at more. This is for Roblox in general, because I know you guys don't have much control over the games individually.

A hacker allegedly bribed an employee at the popular online video game 'Roblox' to gain access to the back-end customer support panel with personal information on over 100 million active monthly users. The hacker was able to access to see other users' email addresses, change their passwords, remove two-factor authentication from their accounts, ban users and more, reports the Vice.
