I love this game it is amazing! I like the way you can make friends easily with nicknames and when you try to play a game you dont have access to there are always glitches, but i LOVE the idea of making the games harder by having three stars or more (like an adult version of warcraft) but it needs to be stopped from players trying to get a lot of coins for their accounts, because there are some that have 100s of dollars for their accounts and they re selling them...and also about the prices, i put two dollars on roblox i cannot use it because all transactions done here is done in dollars.

-I would love if roblox had a marketplace because it could exchange items and in roblox the avatar is still the same as it was on a website but i wish there were live avatars in my profile

Another way that allows users to get free robux for Roblox is through surveys. There are many websites and apps that allow users to complete surveys in exchange for free robux. Some apps also let users complete missions in exchange for a small amount of free robux, though they may require several tries before they can complete them all. However, you can never go wrong with a survey. Since there are so many available, you should take advantage of these opportunities to get free robux.

On December 21st, 2011, the game "Infinity: The Quest to the End of the Universe" was released by a company called "Awaited Studios". After this game was released, it came to light that much of its code was being used in ROBLOX's main source code.

On December 19, 2012, an interview with Roblox developer "UberHaxorNova" titled "Roblox: An Inside Look at the Top Builders" was posted to YouTube. In the interview, he discusses how he was able to build his first successful game within a few days of playing Roblox. He also discusses how Roblox is an important part of his life and that it has allowed him to make a living from doing something that he loves. The interview received over 480,000 views within the first few days after being uploaded onto YouTube. His channel now boasts over 1 million subscribers as of April 2018.

As well, if you are interested in getting free robux without having to spend real money, then this is a really cool option that should be used by all of the players. It will work perfectly without any problems after some time has passed by and that will allow you to have enough free robux so you can buy cool items or invest in some cool weapons.
