ROBLOX is among the few websites that provide analytics data on their members. This data is collected from the number of visitors, members and games played. Many large groups have been created to publicize the statistics of ROBLOX. One such group is "We Hate Fake Players", which regularly posts ROBLOX statistics on its profile.[43]

Roblox gives players the option to purchase membership for High School, Middle School and Elementary years. Players can upgrade their account to a VIP member which gives them time to play online when not connected to school wifi, and playing in moderation on weekends after school. Memberships cost between \$9.99 USD (\$10 Note: this price has increased since August 2018 but was not posted until September 2018) for elementary students, \$12.99 USD (\$13 Note: this price has increased since August 2018 but was not posted until September 2018) for middle school students and \$17.

ROBLOX has banned thousands of accounts, usually for viral videos made by "trolls" or people who want to annoy other users/admins. Most of the bans these users receive are handed out by administrators but every once in a while a user will get banned for a "troll" video or similar reason. Some are also apparently banned because they made potentially offensive comments in the chatbox, not for any type of post or action that breaks the TOS.

In order to check whether or not an app is safe to download, I have compiled a list that will show all of the apps that are 100% safe and you can directly download them from Google Play Store. Read my previous article titled "How To Download Apps Safely From Google Play Store ". You should check it out as well.

They're clearly taking steps in this direction by creating special perks, abilities, etcetera for those who have purchased robux from them. They're also creating clothing items which are being sold for outrageous prices with the sole purpose of being able to differentiate those who pay from those who don't in their game. This is wrong. It's unethical and it should not be tolerated.
