The game averages over 1,250 reviews with a rating between 4.5 stars to 4.8 stars across all platforms according to Google Play's and Apple's App Stores. The game's graphics are generally of an attractive and colorful nature. The characters featured in the game, while themed around coins, have been described as similar to "a kid's metal-head toys", with unusual characteristics that match the gameplay. The packaging of individual coin cards have also been described as "retro" in design.",

Great game by Coolmomof2 on 2013/04/25 18:50 This is an awesome word game! It is just like any other word game out there except for one thing. You can play multiple word games at a time. I like that because it doesn't make you feel like you have to stop playing just to start another game. It is my favorite word game right now. I love it!",

On January 25, 2018 it was announced that United Pixelworkers (UPI) would be developing a new version of Coin Master for iOS devices called Coin Master "Dig Deep". The game is free to download from Apple's App Store and has been released in Beta format as of February 2018. UPI will also be releasing a new version for Android which will be based on the original Coin Master game but this time with 3D artwork similar to that of the mobile version.",

"Coin Master App" is an iOS and Android freemium mobile application released in 2016 by United Pixelworkers LLC. The game centers around the player acquiring random Minecraft-themed cards through an in-game card pack purchased through real-world money. The game has a 1 in 4,000 chance of appearing on a player's mobile device. The "Coin Master" Twitter account posts new activity and awards every couple of minutes.",

Awesome game, but.. by Rachel ☐ on 2014/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",
